Language Courses – English

The ability to communicate in different languages is a priceless gift and enables young people to make friends with other students from all across the globe. Our English courses are solely carried out by native speakers in internationally mixed classes with no more than 12 students. At the beginning of the stay the individual level of each participant will be assessed by our experienced teachers to ensure that everybody is placed in the right class, according to their language abilities. Our courses comprise 20 units of 45 minutes per week. We focus on fun and interactive education. The use of modern teaching methods, incorporating topics that are suitable for the different age groups and levels guarantees a positive outcome and a pleasant classroom experience.

English Classic

Our interactive Classic Courses are designed to match the holidays of our young participants. Nevertheless, they are intense and efficient. Our teachers put a strong focus on oral practice and make sure that the students build up their confidence and improve communication skills in a playful way. Our campers are always around our English speaking staff, who encourage everybody to put their language skills in practice inside and outside the classroom. Attending camp will give them a boost of self-confidence and fresh motivation for their English lessons at school.

TOEFL®-Course

The Test Of English as a Foreign Language is the most widely respected English language test in the world. It measures the student's ability to use and understand English as it's read, written, heard and spoken according to the CEFR – the Common European Framework of Reference for Languages (A1 to C1). The TOEFL® Certificate not only proves the student's level of English. It is also accepted by schools worldwide, important for those considering to spend a school year abroad. TOEFL® students will benefit from 10 additional units on top of the 40 hours of our classic English tuition. During those additional lessons, we focus on grammar exercises and practice important parts of the exam such as reading and listening comprehension and we will also use sample tests to get all candidates well prepared for the exam. Camp Adventure is an authorized test center for TOEFL® and TOEIC®.
